

EUTurbines & VGB amendment proposals

GC ESC 10 June 2021

Update

- **GC ESC 9 March 2021:** The amendment proposal was shared in a joint presentation of EUTurbines & VGB at the GC ESC on 9 March 2021. It was decided that interested members are invited to prepare reactions to be discussed during a dedicated workshop, which results should be presented in the GC ESC meeting in June 2021.
- **Stakeholder Workshop Part I:** The dedicated stakeholder workshop was held on 18 May 2021 from 12:30 to 14:00. It was decided to hold a second Stakeholder Workshop, allowing for an inclusive discussion of the entire proposal.

Collaboration and next steps

- **Additional Comments:** Additional input shall be provide by 14 June to Magdalena.kurz@euturbines.eu via the dedicated contribution form. (Please contact us if you want to join the process).
- **Stakeholder Workshop Part II:** 18 June 10:30 – 12.30
- **GC ESC 9 September:** the final results of the process shall be presented at the September GC ESC.
- Please note that it is considered to develop further amendments in the topic of compliance and to discuss on a minimum common ground for the definition of families and variants, in the same format.
