of Energy Regulators

# **MACZT 2020 Report on the Nordic AC borders**

MESC

1 December 2021

ACER

- ACER will publish **mid-December the results of monitoring the MACZT on the Nordic AC borders:**
  - DK2-SE4
  - FI-SE1
- These two borders were not included in the two ACER MACZR reports for 2020, due to **insufficient data provided** previously by TSOs to ACER. Following ACER's Decision 03/2021, the 3 Nordic TSOs provided the minimum data necessary to perform monitoring.
- The results will be published as an **addendum** to the first two ACER reports of 2020.
- ACER will also include some views **about the benefits from enhanced coordination and harmonisation of the monitoring across the EU.**

- Upcoming addendum 2020 on the Nordics:
  - Publication of the Nordic chapter ~ 16 December 2021
- Report 2021:
  - Foreseen for June 2022
