

# TOP xx Timeline for Market Suspension Rules Harmonisation

Cherry Yuen, 1<sup>st</sup> June 2022 MESC Meeting

# NC ER art. 36 - Market Suspension & Restoration Rules

First discussion and agreement with ACER took place mid-March on how to implement the step-wise approach for market suspension and restoration rules harmonisation

First step is to focus on finding common understanding and terminology among TSOs on market suspension & restoration

ENTSO-E will conduct a TSO-survey with specific questions derived from art. 35 and art. 36 of NC ER
