
ENTSO-E Transparency User Group (ETUG)- 7th Meeting

Date: 15th June 2017

Time: 10h30 – 16h30

Place: ENTSO-E premises, Brussels

OUTCOMES

The main outcomes of the 7th ETUG meeting are summarized below:

- Updated MoP will be published immediately after meeting;
- Further Users feedback on GUI updates is highly appreciated; in any case, ENTSOE will inform Users of GUI update as soon as a more detailed 'GUI update deployment plan' is ready;
- ENTSO-E will inform Users on the MoP deployment testing periods in order to have as many users for testing;
- The updated MoP is published on ENTSO-E website with version 2.1;
- Next meeting date: somewhere in October so that ENTSO-E can provide information about the developments and testing. Doodle poll to be circulated to fix date.
